Letter of Acknowledgement

To whom it may concern

This letter is being issued to acknowledge the active participation of MUHAMMAD HARIS in Eco-Advocates Fellowship 2024-25; hosted by EcoRevival Pakistan, a student non-profit organization registered under the Prime Minister Youth Programme, Pakistan.

The fellowship comprised of a video project where participants filmed and edited a video about the potential environmental threat in their area, a presentation on the proposed solution to that environmental threat and attended various webinars on environmental ethics, activism and conservation.

The participant is, indeed, a competitive individual with time management and analytical skills, proven through this fellowship.
I wish him a very good luck in the fight against environmental degradation.
